'As we look into the new century, leaders will be those who empower others' ■ Bill Gates

Preamble : Why should an effective manager be a collaborative leader? Because it gives one the ability to overcome organizational hurdles, to create an energetic department and a team that produces better business results. In today's competitive business world, cooperative team work is more essential than ever before. It is the solid foundation on which companies and careers are built and a crucial component of lasting success.

Developing a collaborative style of management is the urgent priority for all progressive organizations. To enhance team commitment and individual performance, every manager must have the capability to motivate their staff, delegate work, evaluate, resolve conflict and produce excellent results.

Objective : To enable the attendees to develop and strengthen leadership skills to become adaptive managers who can inspire optimal performance from team members and help bring out their strongest talents.

Contents : The topics of deliberation are:

- Togetherness for success, the synergy effect
- Manager as a leader
- Habits of highly effective managers
- Delegation for work effectiveness
- Working together as a Team

***"Coming together is a beginning Keeping together is progress
Working together is success"*** - Henry Ford
