Language helps a person express his/her beliefs, understand others thoughts and express his/her feelings and ideas in black and white.

Well spoken and written languages get a person closer to success and satisfaction. It is very useful in driving their point home and accomplish mission.

With a view to helping people in general learn certain Indian languages, AMA has started 'AMA School of Indian Languages'. It will concentrate in teaching Indian Languages depending on demand.

As a first step, we are happy to announce a 21 hours session on Gujarati language (How to speak and understand Gujarati language).

This 21 hours Gujarati learning course aims at making a person know the mechanisms of Gujarati language, phrases, idioms, proverbs and a right word for a right expression. It will enable the learner to speak Gujarati comfortably and easily.

So to empower your Gujarati, join Gujarati for Beginners and master the art of impressive conversation, making effective speeches and writing stories, poems, essays, letters, plays and so on.

This programme is primarily meant for Non-Gujarati Speaking participants. Bank Employees, Employees of Public Sector, Doctors, Govt. Employees who have been transferred to Gujarat will find this programme useful.
